Regular Town Board Meeting, May 22 @ 6 PM

**A LOCAL LAW CREATING TOWN CODE 360-184 PERTAINING TO LIGHT EMITTING
DISPLAY (LED) AND ELECTRONIC MESSAGE BOARD (EMD) SIGNS AS WELL AS THE
CORRESPONDING TOWN CODE DEFINITIONS OF SAID SIGNS**

SECTION 1. PURPOSE AND INTENT.

The Town Board of the Town of Lewiston currently has under review amendments to the Town Code with regard to Light Emitting Displays (LED) and Electronic Message Displays (EMD) Signs, Section 360-184 of the Lewiston Town Code. The matters pertaining to LED/EMD Sign construction within the Town emphasizes the need for suitable regulation under existing and clearly established standards, in an effort to plan for and protect the health, safety and wellbeing of the citizens of and property in the Town of Lewiston. The existing provisions contained in the Town Code of the Town of Lewiston do not currently address any such appropriate standards and controls to allow for a harmonious balance and to protect the health, safety and wellbeing of the citizens and property in the Town of Lewiston. The Town Board desires to review and address, in a careful manner, provisions relating to LED and EMD Sign construction on a comprehensive and town wide basis and to amend and/or adopt appropriate provisions to achieve these purposes. The Town Board of the Town of Lewiston finds it prudent and necessary to create an applicable Town Law to deal with LED and EMD Sign construction.

Additionally, the Town Board will adopt new definitions within the Town Code with regard to LED and EMD Signs.

SECTION 2. AUTHORITY.

This Local Law Is enacted pursuant to the provisions of the Town Law and the Municipal Home Rule Law of the State of New York.

SECTION 3. APPLICATION.

This Law shall apply to any and all LED/EMD Sign construction within the Town of Lewiston.

SECTION 4. DURATION.

This Law shall be in effect for immediately after its adoption.

SECTION 5. SCOPE.

During the effective period of this Local Law any and all individuals or companies wishing to construct an LED/EMD sign must comply with the Local Law.

SECTION 6. EXISTING ACTIVITIES.

Any or all projects within the Town having a current application for the construction of an LED/EMD Sign shall be subject to the terms and provisions of this Local Law.

SECTION 7. SEVERABILITY.

The invalidity of any word, section, clause, paragraph, sentence or part or provision of this Local Law shall not affect the validity of any other part of this Local Law which shall be in effect. This Local Law shall take effect immediately upon adoption by the Town Board of the Town of Lewiston and filing with the Secretary of State.

Honorable Town Board
1375 Ridge Road
Lewiston, NY 14092

Supervisor Broderick and Councilmembers:

The Planning Board meeting in regular session on April 20, 2017, reviewed a one-lot subdivision for George Brown for property located at 4510 Porter Center Road, SBL# 89.01-1-31.

The Planning Board recommends approval of the subdivision as presented. Attached is the response from the Environmental Commission.

Sincerely,

PLANNING BOARD

William Conrad
Planning Board Chairman

April 21, 2017

I am building a home at 4325 Williams Road. I would like to construct a pond on the property.

I have had a Pond Site Assessment done by Scott Collins in association with the Niagara County Soil and Water District. The pond dimensions would be 80' by 80' square and a depth of 8 feet. This would keep me under the limits of the maximum square footage allowed on the 2.31 acres I own.

I would like to have the \$5000.00 mining fee waived as I will be using the fill excavated for the landscaping surrounding my home

Thank you for your concern with this matter.

Special Olympics
New York

Dear Town of Lewiston,

For over 40 years Special Olympics has touched the lives of each person in the WNY community. The community's support of Special Olympic athletes has enabled children and adults with intellectual disabilities to enjoy the thrill of sports! Every day Special Olympics continues to show that when people with and without intellectual disabilities are brought together by Special Olympics, myths are dispelled, attitudes are changed and new opportunities to embrace and celebrate people with intellectual disabilities are created. The Law Enforcement Torch Run plays a large part in New York's Special Olympics program.

The Law Enforcement Torch Run for Special Olympics began in Wichita, Kansas in 1981 and has grown to over 85,000 law enforcement officers worldwide who volunteer their time to help our athletes. Our mission is to raise funds and awareness of the Special Olympics movement. In 2016 we will be celebrating the 30th anniversary of New York's Law Enforcement Torch Run program!

With your permission, on Wednesday, May 16th, the Flame of Hope will travel throughout the town and village of Lewiston, starting at Niagara University, traveling down 104 and making its way down Center Street. This event symbolizes the unity of Law Enforcement, Special Olympics and most importantly, the community. For the past 3 years, it has been our privilege to run through the streets of Lewiston, raising funds and awareness for Special Olympics New York. We hope that this tradition continues.

On behalf of our 68,547 athletes...THANK YOU in advance for your support!

Sincerely,

Erica Raepple
