Mr.

Mr. Michael Dashineau, Superintendent
Town of Lewiston Parks Department
1375 Ridge Road
PO Box 330
Lewiston, NY 14092

July 1, 2017

RE: Town Park/Playground Located at 2587 Bronson Drive.

Dear Mr. Dashineau:

The Lewiston community on top of the hill and members of Niagara Frontier Bible Church have enjoyed the many years of having a Town Park / Playground on the church property. With the desire of the church wanting to reach out to the community and our neighbors we would like to continue in this arrangement which is now come to an end in the summer of this year 2017.

We would like to ask the Town of Lewiston and the Parks Department to consider coming to a new agreement and possibly updating or even expanding on the current facility. In the past, there was some concerns of the green space requirements needed to meet specifications. Now, as we are looking to do repairs to our parking lot we would also be willing to take back a portion of the parking lot to meet the green space requirements.

As you are aware there is no other such facility on top of the hill were families can bring their children to enjoy the playground / park close to home. If this strikes an interest we would like to arrange a meeting to discuss the possibilities to continue with the playground / park and the enhancement that would be required.

Thank you for your consideration to this important need for the Lewiston community.

Sincerely,

Mr. Stephen Olejar
Chairman of the Deacon Board
